

ANNOUNCEMENT

The Testing Center is pleased to announce what we will now be administering the THEA Quick Test (THEA QT). The State of Texas will no longer administer statewide THEA tests, but has authorized the expansion of the THEA to be administered by colleges, universities and some high schools in the THEA Quick Test format.

The THEA Quick Test assesses the reading, mathematics, and writing skills that entering freshman-level students must have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges or universities. THEA QT is a pencil/paper that will be offered several times during the Fall and Spring semesters. THEA QT will not be offered in May, June or July.

Only candidates who are current students or have applied for admission to Angelina College may test at our institution.

Candidates who have met the above requirement will complete the AC THEA Quick Test on-line registration form for one of the published Angelina College administration dates. The Testing Center will send a confirmation email with additional testing information.

The total cost for taking the THEA Quick test is \$39.00 and will be paid the morning of the test. The candidate will be instructed to bring a personal check or money order for \$29.00 made payable to Evaluation Systems and a \$10.00 money order made payable to Angelina College.

Candidates who need one or more parts of the THEA QT will also pay the \$39.00 fee.
