

Learning Contract
Mrs. L. Sutton – Room 115
lsutton@brookelandisd.net

Welcome to a new school year! I am happy to have each and every one of you in my class.

My goal is to make this math class interesting to you and relevant to your life. We will focus on how you use math in your everyday life. So, one of your first assignments will involve you telling me what is important to you. Each one of you should have at least one of your interests highlighted during this year. In return for making your interests a priority of mine, I require some things to make our class experience run smoothly.

For example:

- You must be present (physically and mentally) and on time for class.
- Instructions must be followed for each assignment.
- Assignments must be submitted on time.

Things you can expect from Me:

- I will treat you with Respect and Dignity.
- I will create a variety of ways to present the material.
- I will help you understand why the material is important to you.
- I will be enthusiastic.
- I will listen to you.
- I will NOT give up on you.
- I will be available to you after school for additional help.

Things I expect from You:

- You will respect your classmates and you will respect me.
- You will participate in your education.
- You will bring your ChromeBook to class each day (Or pencil and paper if you do better with writing than with typing.).
- You will take care of restroom needs before or after class. (I do it; so can you.)
- You will return Make-up Work/Corrections within three days (per the student handbook).

I have read the above contract. I know what is expected of me and I know what to expect of you.

Signed,

LATRICA SUTTON
