

## Brookeland ISD 2025-2026 Library Book Permission Form

The BISD Library has a variety of literary works to meet the interest of our students. Books are labeled and classified using Renaissance Learning Accelerated Reading Level and Content.

Interest level is based on a book's content including theme, characterization and plot. The interest level attached to the book indicates age appropriateness. Interest level designations reflect the judgement of the book's publisher and the professionals at Renaissance Learning. Although the student is able to read the words, this does not mean the content is appropriate.

The Interest Level of the material must be considered.

Content appropriateness is grouped in these categories:

- Lower Grade (LG) - Content is most appropriate and can be checked out by students PreK-5th
- Middle Grade (MG) - Content is most appropriate and can be checked out by students 6th-8th
- Upper Grade (UG) - Content is most appropriate and can be checked out by students 9th-12th

With parent permission, students in grades 4th-8th are able to check out books that are rated higher than the categories above. If your student is in grades 4th-8th, please fill the form out below and return to BISD to complete your child's enrollment.
